## SECOND EXCURSION

THREE LOADED COACHES  
ARRIVED THIS MORNING.

Large Proportion of Women Aboard  
Argues Well for Trade in Pendleton — Believed That a Regular Daily Train Running on Practically the Same Schedule, But Early Enough to Connect With No. 1, Would Pay the Company.

The second weekly excursion train run by Pendleton business men from Walla Walla and by-points, arrived at 9:30 o'clock this morning. The train consisted of three passenger coaches and a baggage car. The coaches were filled with people and while the conductor in charge declares there were but 95 fares collected, it was quite evident that there were many more persons aboard.

Many passengers boarded the train at Walla Walla who carried only one fare ticket. A large number of Weston, Athena and Adams people are among the Pendleton visitors today.

More women than men came to Pendleton this morning on the special, which the business men hail as an indication that their venture and the bargain day advertisements are bearing fruit. "It is a well known fact," said a leading merchant, "that women are the bargain hunters, and the shoppers, and when we see them coming to town we know that it is principally to trade at the stores."

It is said that were a regular train run to Pendleton each morning over the Walla Walla line in time to connect with the overland that the travel resulting would well compensate the railroad company.

Aside from the trade advantages to be enjoyed by running this train, it is a public convenience which is heartily endorsed by every patron of the train. The people from the east and of the county are enabled to spend a full day in the county seat; they have more or less legal business to transact at the court house, and other errands that bring them to the city.

The unanimous expression is that the train should be run by the company as a public convenience, aside from any extra effort on the part of enterprising Pendleton merchants.

PLAY HOUSE FOR WALLA WALLA  
Del Lawrence, of the Keith Company, is Interested.

If plans now forming are carried through, Walla Walla will soon have a playhouse with nightly performances. Del Lawrence, managing the Keith Stock company, which is in Pendleton this week, is negotiating with Mrs. J. H. Stahl, owner of the Star theater in Walla Walla, for a lease on the building. Mr. Lawrence appeared in Walla Walla during the summer at La Vern's park.

"I will go to Walla Walla tomorrow," said Mr. Lawrence, "for a conference regarding the theater. I am desirous of getting into Walla Walla, for it is a good show town, but since the Paine opera house was condemned by the building inspector, the city has been without a play house.

"An attempt is being made to again open the Paine, but I do not believe the place will ever pay even if the council allows this, for the people are afraid of the building. The remodeling of the stage and the placing of additional exits and fire escapes, will place the Star in good shape."

### FOOTBALL TOMORROW.

Baker City and Pendleton Will Play for Championship.

For the championship of Eastern Oregon the Pendleton and Baker City high school football teams will meet on the gridiron tomorrow afternoon. The game will be called at 2:30 o'clock on the Alta street grounds. The Baker boys arrived this morning and are quartered at the Hotel Bickers.

The Thanksgiving games between Pendleton and Baker City are always looked forward to as the principal football events of the season. Both teams are in excellent condition for the match. Both Manager George Eyre, of the Pendleton team, and Manager Virgin Cooper, of the Baker eleven, are confident of putting up a good exhibition.

Saturday the Baker City boys will go to Weston and meet the Eastern Oregon State Normal team.

Tomorrow evening the boys and girls of the Pendleton high school will entertain the visitors with an informal reception at the Malarkey hall.

### Fifty Cents Admission.

Owing to the heavy expense of bringing the Baker City team here, and keeping them over for two nights, the high school found it absolutely necessary to charge 50 cents admission to the game. The expenses reach nearly \$200 and it would be impossible to meet this on a 25 cent admission. Last year at Baker City 50 cents admission was charged and the largest attendance of the year greeted the Thanksgiving game. The Pendleton team is also at considerable expense in keeping up the grounds, paying rent and other necessary expenses, and 25 cents admission is scarcely sufficient to meet these demands upon the team.

### Baptist Church Notice.

You are cordially invited to the Thanksgiving prayer service tonight at 7:30. The pastor has received word that Leonard W. Riley, the general missionary for Oregon, will be with us next Sunday morning and evening. This will be good news to all Baptists and others who have heard him. Don't fail to be there next Sunday.

### Gilliam is Wet.

Because the petitions asking for the prohibition vote in Gilliam county were presented too late for the regular term of county court to call the election, the vote on prohibition in that county has been declared void, and although the county was carried by the prohibitionists, it will be a wet county. The promoters of the prohibition cause failed to get their petition in before the regular term of the county court, and a call for the prohibition vote was issued by a special term.

Tomorrow at Church of Redeemer.  
Rev. Henry Dixon Jones, rector. Service for Thanksgiving day. Morning prayer and sermon, 10 o'clock; subject of sermon, "Some of the reasons We Have in This Fourth Year of the 20th Century, for Gratitude, for Thanksgiving, for Hope and for Growing Expectation." The public is cordially invited to attend this service. Vestrymen will be in attendance to greet strangers and to welcome them.

### Rein is Badly Needed.

Many farmers express the fear that much of the grain already sown will not come up, if a rain does not visit the wheat belt soon. Thousands of acres of wheat has been sown in the best portions of the wheat belt, and as yet a large amount of it has not come up. The ground is very dry and what wheat has come up in places is not growing as it should. It is the driest fall experienced for many years.

### Night School for Clerks.

A night school has been organized at the business college for the accommodation of clerks and bookkeepers who cannot attend the day school. The same classes are taught as in the day school, the hours being from 7 to 9 p. m. on Mondays, Wednesdays and Fridays.

### DeLaney in Lake County.

Paul DeLaney, formerly employed on the East Oregonian, is now in Lake county, working for the Oregon Daily Journal. It is rumored that DeLaney will start a third paper at Lakeview, to be a supporter of ex-Congressman Moody.

### Sylvester-Miller.

Justices of the Peace Thomas Fitz Gerald last evening united in marriage at the Hotel St. George, Leslie Hamilton Miller and Miss Lucretia Esther Sylvester.

### Shearer Recovering.

H. T. Shearer, the employee of the Columbia Southern, who met such a serious accident at Biggs about two months ago, was able to leave the hospital and return to his home at Shaliko today.—The Dalles Chronicle.

### Irrigation Statistics.

Answers to the questions on winter irrigation sent out by the Commercial Association to the practical farmers some time ago, are being received slowly.

### Special Thanksgiving Service.

A special Thanksgiving prayer service will be held at the Presbyterian church at 7:30 this evening. Rev. W. H. Bleakney will lead the meeting.

### Thursday Afternoon Club.

The Thursday Afternoon Club will meet at the home of Mrs. J. R. Dickson, November 25, 1904. A full attendance is requested.

### Suit for \$63.22.

Action has been brought in the state circuit court by the Gray's Harbor Commercial Company against Cal Winslow, to collect \$63.22.

### Funeral of Governor Thompson.

Columbia, S. C., Nov. 23.—The funeral of ex-Governor Hugh S. Thompson was held today.

The regular weekly session of the Pendleton city council will be held tonight.

The management of the Lewis and Clark exposition is planning for a "Trail" which shall be second to none of those in the past. Indications are that there will be a general migration of the Pike shows at St. Louis to the Western fair.
